

Community Based Instruction (CBI)

Dear Parents and Guardians,

Each month your child will be provided the opportunity with his/her classroom to go out into the local community to participate in goal-based, functional activities to enhance their community experiences and skills. Each trip is approximately 1 ½ - 2 hours. A trip reminder will be sent home prior to your child's scheduled trip.

The students will be transported by a bus to a pre-determined community location and will be accompanied by the Larc staff members to include their teacher, therapists and classroom assistants/1:1 aide. A school nurse will attend these trips.

Please complete the permission slip below and return to your child's teacher. Your wishes for your child will apply to all CBI trips for this current school year. Should you not opt for your child to participate in CBI trips, he/she will stay in another classroom until their class returns from their trip.

Please contact me or your child's teacher with any questions or concerns.

Sincerely,

Christy Seaver
Community Based Instructor
