

Photo/Media Release

Dear Parents/Guardians,

As you know, when your child works on lessons or participates in special events, we often have many great photo and/or video opportunities. We would like your permission to use photographs/video taken during class time, special events or celebrations and community trips to share internally. Photos/videos may be posted in classrooms, hallways, yearbook, for teacher education, parent communication, and as a historical record.

Larc School would also like your permission to use photographs/video of your child for publicity purposes. We promote our school using brochures, our website, social media, and other types of promotional materials and events.

Please sign the permission slip below to indicate your preferences for photographs/videos.
